

Aloha Shack

Hawaii could be seen as heaven on earth. The sun never stops shining, and at the Aloha Shack bottomless drinks are provided from the beautiful bartender Leilani, with the most delicious drinks in the state.

She uses the power of the Tiki Gods to create delicious and exotic drinks; these are known for their wacky flavours and weird appearances. They have been known to include glowing at night and dancing flowers.

Leilani is eager to expand this sideline into a global operation, giving a bigger audience to her culture. She needs your assistance in this five-reel slot game, which includes bonuses, so join her for a drink.
