

Fruit Arcade

A modern and slick five-reel slot game, Fruit Arcade is an impressive and rewarding game. A villain named Jester has caused an outage of the world's gadget and devices by using a sophisticated virus. Everything and anything technology-based has been affected and the world's reliance on these has come to the fore, causing a standstill.

The only known way to save all the devices is to somehow top Jester's score on Fruit Arcade. He has issued a challenge and this is the only antidote to stop technological oblivion for mankind.

With a number of symbols and bonuses, Fruit Arcade has the best hallmarks of a classic slot game, complete wide a modern makeover.

BEAT JESTER AND STOP
THE VIRUS!
