

Trials of Colchis

Set in Ancient Greece, the Trials of Colchis is an impressive game with free spins and triggers. Here, you follow the trials and tribulations of the Argonauts who have reached Colchis. Young and precocious Jason faces three trials from King Aeëtes as he has to prove his mettle by acquiring the Golden Fleece.

Medea, the King's daughter, is a formidable operator and sorceress who has sworn her allegiance to Jason after becoming infatuated with him. Playing as Jason – assisted by Medea – brave the numerous obstacles that try and derail your quest for the Golden Fleece.
