

Gangs of New York™

Gangs of New York™ contains an entertaining 5-reel slot game.

At night, New York's metamorphosis takes place: from a glamorous and magnificent city into a dangerous underworld that witnesses enigmatic crimes. Gangster Bosses, gofers, contract killers and cops are the main characters of the Gangs of New York's world. To be successful in the feature games or bonus rounds, the player has to be smart, brave and mostly lucky!

Gangs of New York™ embraces a unique atmosphere that will take your breath away. All graphics and sound effects are in HD-quality, offering spectacular visuals combined with intuitive gameplay.

Players can set their chosen arrangements for both stakes and lines easily and precisely.
