

Witchcraft

Surely, here there is some kind of witchcraft going on! This game takes place in a beautiful fantasy library where an enigmatic witch is trying to create a mysterious potion.

This is a slot based on a theme of magic and mystery where surprising touches are provided, together with exceptional elements that will help the player create a special potion.

In this supernatural and fascinating environment, icons and curious symbols can take you one step closer to your aim.

Of course, Witchcraft features outstanding bonuses and great prizes; all this accompanied by exceptional

graphic designs and a sensational background music! Witchcraft is a game that involves 5-reels and multiple paylines.
