

## Age of Aztec™

Age of Aztec™ consist of 5-reels and multiple lines in an engaging scenario.

Between the 14<sup>th</sup> and 15<sup>th</sup> century a powerful empire ruled the land in Mesoamerica. It is the Age of the Aztec Empire and the capital city Tenochtitlan is the centre of supremacy.

The Aztec God King governs his kingdom despotically, the player has to confront him in order to gather the treasure of the Aztecs and, finally, claim marvellous rewards.

Age of Aztec employs excellent graphics, advanced animation and players can easily customise the game's setting according to their demands.
