

Fertile Land

When you own a farm, the management of a land is surely not an easy job.

Here, the goal is to help the farmer to produce and to expand his vast land and, as the property gets fertile and bigger, you will get to harvest more and more products!

All this, while being entertained in a truly healthy way! This game allows the player to be fulfilled with fun fruit and veggie symbols that give quite a pleasant and healthy twist to the classic slot machine style.

Nature is the main protagonist of the game and you will be surrounded not only by some groceries but also by animals and insects that will not only help you

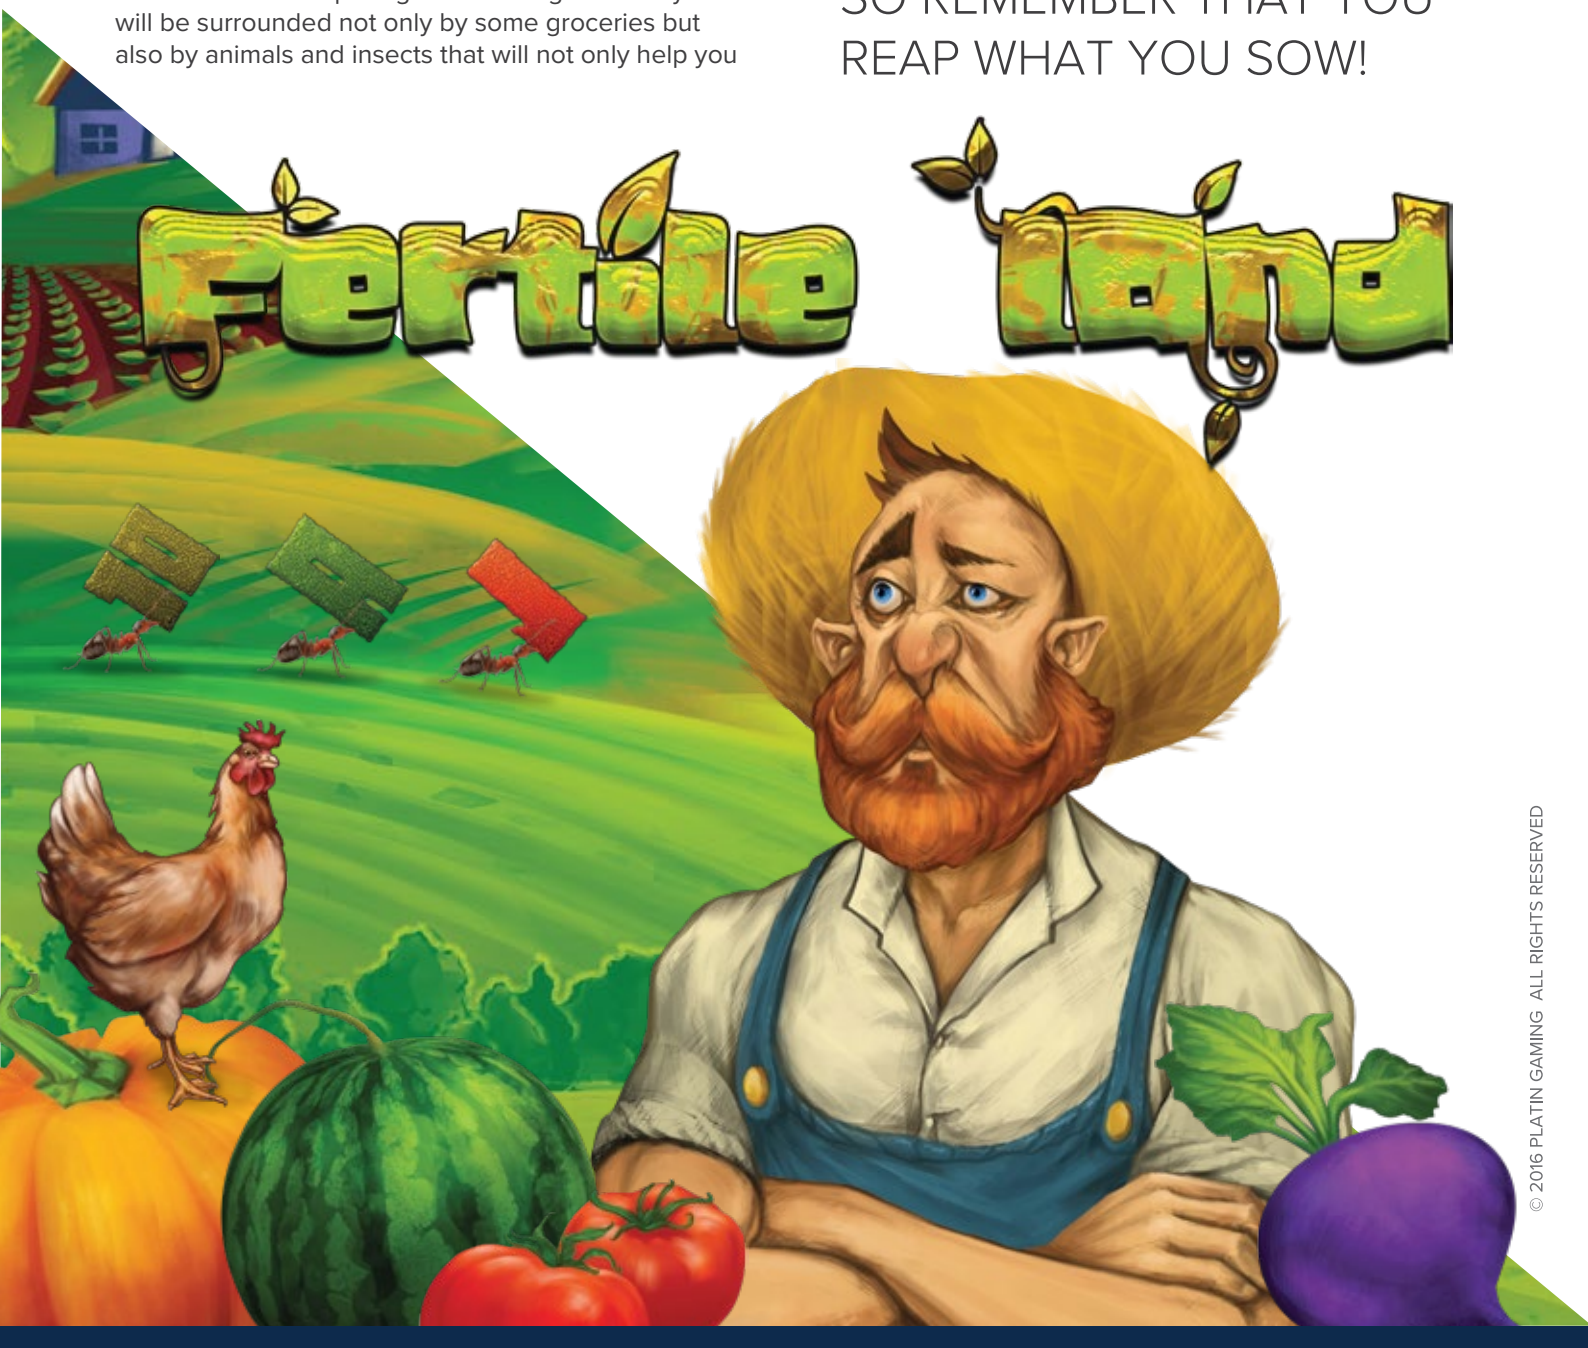

to achieve your goal, but will render the atmosphere even more entertaining!

This game is filled with exciting animation, vibrant icons and special bonuses – so get ready to collect some tasty winnings!

Fertile Land is a 5-reel game with multiple paylines.

NATURE IS A MUST IN THE
FERTILE LAND.
SO REMEMBER THAT YOU
REAP WHAT YOU SOW!
